

# FRIENDS & FAMILY SUPPORT GROUP

AIM Independent Living Center hosts the Friends and Family Support Group. This group provides support to family and friends of those who struggle with addiction, as well as providing support to those who may have lost a loved one to addiction. This group is a healthy, judgment-free atmosphere.

We are now offering both in-person and online sessions.

The group is part of AIM's Family Support Navigator Program, funded by the New York State Office of Addiction Supports and Services.
